### What is Digital Campus?

Flowing Wells Digital Campus students are enrolled in classes on-line and attend school through their Edgenuity.com account and by completing activities, lessons, and assessments. The virtual learning environment is supported by certified Teachers of Record, and a site-based teacher to help answer technical questions and help provide that personal connection to learning. All FWDC students are expected to take and pass state tests as well.

**Username:** YourFirstName.YourLastName@fwusd8.org

**Password:** FWstudentID! (your student ID is your lunch ID; it is 5 numbers)

**Log in problems? Email or call Mrs. Whatton.**

### How much work should I be doing?

Students must maintain a minimum average of 25 hours per week for the attendance requirement. Students may not have a two-week attendance deficit. A 30-hour goal is recommended for students who are behind in credits. The Digital Campus attendance week spans Monday-Sunday, 24 hours per day. It's learning on your schedule!

### Am I only allowed to work from home?

No. Even though FWDC students are not allowed to hang out socially on FWHS or Sentinel Peak campus during live school hours, FWDC students attend on campus if arranged through Mrs. Whatton at 520-696-8904. Site space is limited so on site attendance priority will be given to seniors and juniors who are nearing graduation. Mrs. Whatton usually has snacks/candy and works hard to make sure students can get whatever help or encouragement they need. Call or email Mrs. Whatton for more information: [Jessica.Whatton@fwusd8.org](mailto:Jessica.Whatton@fwusd8.org) or 520-696-8904.

### Am I allowed to play sports if I'm enrolled in DC?

Yes. Any Digital Campus student who has not been suspended off a FW campus is eligible to play on any FWHS athletic team, as long as the student has an athletic eligibility packet on file and is meeting the weekly attendance requirements (25 hrs. per week) and passing all courses. Call Dr. Hurst if you are not sure about eligibility. 520-696-8905

### Can I hang out at FWHS or Sentinel Peak when I'm not in the Digital Campus classroom?

No. FWDC students are not enrolled at Flowing Wells High School or Sentinel Peak, and as such should not be on campus during regular school hours without arranging attendance through Mrs. Whatton. FWDC students are only allowed to go to Mrs. Whatton's learning center and must make arrangements prior to attending. Space is limited. Disruptive or inappropriate behaviors will not be tolerated. Students who violate this must be picked up immediately.

## Get Help and Get Connected

We have Teachers of Record in FWDC who are here to help you with the classwork or anything you may not understand. Email them and get the help you need in that subject!
